and Fishing Access Areas are closed to camping year round. The trailheads are located on public lands administered by the Bureau of Land Management (BLM), Cody Field Office. The Four Bear Trailhead is located on the north side of U.S. Highway 14-16-20 approximately 19 miles west of Cody in Park County, Wyoming. The Twin Creek Trailhead and Fishing Access Site is located on the north side of Park County Road 6WX approximately 23 miles west of Cody in Park County, Wyoming. This closure also applies to the public land surrounding the developed sites as described in this notice. Day use is allowed as well as overnight parking of unattended vehicles (including horse trailers).

This action is being taken because the sites are small and were designed to serve as trailheads and parking areas for fishermen, hikers, and horseback riders. The sites and immediate surroundings are not designed to provide camping and are not suitable for camping. Camping in the parking lot would fill up the lot and would make parking spots unavailable to persons seeking to use the trailhead. No camping at either location will be allowed unless permitted by the Authorized Officer (BLM Cody Field Manager).

In addition, the Twin Creek Trail is subject to a seasonal closure. Easements exist along the west fork of Twin Creek allowing public access through private lands to the Shoshone National Forest. These easements are subject to a seasonal closure. Consistent with that closure, the BLM portion of the trail is closed to all use from January 1 through April 30 of each year. This trail crosses the South Fork of the Shoshone River. The seasonal closure is in effect where the trail begins on the west side of the river. River bank access will remain open on both sides of the South Fork of the Shoshone River for activities such as fishing and sightseeing. The purpose of
