

used during construction of the permanent residence and pond. Once completed it is anticipated the temporary home will be removed. This action will eliminate 4.5 acres or less of Houston toad habitat and result in indirect impacts within the property. The applicant proposes to compensate for this incidental take of the Houston toad by providing \$6,000.00 to the National Fish and Wildlife Foundation for the specific purpose of land acquisition and management within Houston toad habitat, as identified by the Service.
