ACTION: Notice of availability for the Draft Lakeview Resource Management Plan (RMP) and Environmental Impact Statement (EIS).

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the National Environmental Policy Act (NEPA), this document provides notice that the Bureau of Land Management (BLM) intends to make the draft RMP/EIS available for public review and comment. This planning activity encompasses approximately 3.2 million acres of public land managed by the Lakeview Resource Area, Lakeview District and located in Lake and Harney Counties in southeastern Oregon. In addition, a small, contiguous portion of Modoc and Washoe Counties located in northeastern California and northwestern Nevada falling within the administrative boundary of the Surprise Field Office in Cedarville, California, but managed by the Lakeview Resource Area is also included for analysis purposes. The BLM has and will continue to work closely with all interested parties to identify the management decisions that are best suited to the needs of the public. This collaborative process will take into account local, regional, and national needs and concerns. This notice initiates the public review process on the draft RMP/EIS. The public is invited to review and comment on the range and adequacy of the draft alternatives and associated environmental effects.

DATES: The comment period will end 90 days after publication of the Environmental Protection Agency's Notice of Availability of this draft plan and environmental impact statement in the **Federal Register**. Comments on the draft RMP/EIS should be received on or before the end of the comment period at the address listed below.

Public Participation: Public meetings will be held during the comment period. In order to ensure local community participation and input, public meetings will be held in Lakeview, North Lake County, and Bend, Oregon. Early participation by all those interested is encouraged and will help determine the

future management of public lands in the Lakeview Resource Area. At least 15 days public notice will be given for activities where the public is invited to attend. All individuals, organizations, agencies, and tribes with a known interest in this planning effort have been sent a copy of the document for review. Written comments will be accepted throughout the planning process at the address shown below. For comments to be most helpful, they should relate to specific concerns or conflicts that are within the legal responsibilities of the BLM and they must be able to be resolved in this planning process.
