SUPPLEMENTARY INFORMATION: *Title:* Office of Indian Royalty Assistance Customer Satisfaction Postcard.

OMB Control Number: 1010-0098.

Bureau Form Number: N/A.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian Lands and the Outer Continental Shelf (OCS). The Secretary of the Interior (Secretary) is responsible for managing the production of minerals from Federal and Indian Lands and the OCS; for collecting royalties from lessees who produce minerals; and for distributing the funds collected in accordance with applicable laws. The Secretary also has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. We perform the royalty management functions and assist the Secretary in carrying out DOI's Indian trust responsibility.

MMS's Office of Indian Royalty Assistance (OIRA) often resolves questions and issues related to individual Indian royalty payments. When an individual Indian mineral owner requests assistance from an OIRA office, we include a Customer Satisfaction Postcard, consisting of four questions, when responding to the owner's request to help us determine if our service was effective and to identify how we can improve our service.
