

CFR 570.482(f)(1), (2), (3), (4)(i), (5), (6) are waived, except that the grantee shall report and maintain documentation on the creation and retention of (a) total jobs, (b) number of jobs within certain salary ranges, and (c) types of jobs. Paragraph (g) of 24 CFR 570.482 is also waived to the extent its provisions are related to public benefit.

11. Alternative Requirement— Duplication of Benefits. The CDBG funds appropriated under the Emergency Response Fund may not be used to provide funds for the same specific uses as disaster loans made available by the Small Business Administration (SBA), in compliance with 15 U.S.C. 636(b)(1)(A). If the needs for assistance are more than the SBA disaster loan amount, CDBG disaster assistance may be used to fund such additional need. New York State should encourage the use of SBA physical damage and economic injury disaster loans; they offer low interest rates and favorable terms. Additionally, CDBG disaster assistance may not be used for the same specific uses as disaster assistance made available by the Federal Emergency Management Agency, e.g., for public works and facilities, in compliance with duplication of benefits prohibitions of 42 U.S.C. 5155 (section 312 of the Robert T. Stafford Disaster Assistance and Emergency Relief Act, as amended).
