

public with an additional 30 days to comment.

Frequency of collection: Primarily annually.

Estimated Annual Number and Description of Respondents:

Approximately 500 voluntary responses from the public, with another 500 from Federal employees.

Estimated Reporting and Recordkeeping "Hour" Burden: The currently approved annual reporting burden for this collection is 250 hours—one hour per response for an estimated 250 public respondents. For this ICR, that burden will increase to 500 hours due to an increase in the estimated number of public respondents.

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: We have identified no non-hour burdens for this collection.

Comments: We specifically request your comments as to: (a) Whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, usefulness, and clarity of the information to be collected; and (d) how to minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

Dated: December 23, 2003.

Marti Allbright,

Executive Director, Take Pride In America Program.
