

Average of 3 new urban counties qualify per year: 3×100 hours = 300 hrs.

165 grantees requalify on triennial basis; average annual number of respondents = 55: 55×60 hrs. = 3300 hrs.

10 towns requalify every three years; average annual number of respondents = 3.3: 3.3×50 = 165 hrs.

Total combined burden hours: 3,765 hrs.

This total number of combined burden hours can be expected to increase annually by 300 hours annually, given the average of three new urban counties becoming eligible entitlement grantees each year.

Status of the proposed information collection: Existing collection number will expire October 31, 2005.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.
