SUPPLEMENTARY INFORMATION:

I. Abstract

The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an information collection activity that the Office of Acquisition and Property Management has submitted to OMB for extension or re-approval.

Claim for Relocation Payments—Residential, DI-381 and Claim for Relocation Payments—Nonresidential, DI-382 were created because of amendments to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Act) made by the Uniform Relocation Act Amendments of 1987, Title IV of the Surface Transportation and Uniform Relocation Assistance Act of 1987, Public Law 100-17. The Office of Acquisition and Property Management has revised these forms to more closely reflect the changes made by the Uniform

Relocation Assistance and Real Property Acquisition Act final rule published January 4, 2005, by the Federal Highway Administration. The revision make the forms more user-friendly; incorporate citations; revise the sections relating to certification of occupancy status (citizen or national of the United States or an alien lawfully present in the United States); and clarify the allowable and non-allowable moving expenses sections. The Office of Acquisition and Property Management is requesting a 3 year term of approval for this information collection activity.

The information on the information collection requests will be used to determine the amount of money, if any, owed to persons or businesses displaced by Federal acquisition of their real property.
