Keālia Pond National Wildlife Refuge and Kakahai'a National Wildlife Refuge, Maui County, HI

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of intent to prepare a comprehensive conservation plan and National Environmental Policy Act document and announcement of public open house meetings.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), intend to prepare a comprehensive conservation plan (CCP) for the Keālia Pond and Kakahai'a National Wildlife Refuges (NWRs). We will also prepare an evaluation under the National Environmental Policy Act (NEPA) to analyze the potential environmental effects of various CCP alternatives. We provide this notice in compliance with our CCP policy to advise the public, other Federal and State agencies, and Native Hawaiian organizations of our intentions and to obtain suggestions and information on the scope of issues to be considered in the planning process. We are also announcing two public open

house meetings; see **SUPPLEMENTARY INFORMATION** for details.

DATES: Please provide written comments on the scope of the CCP by November 19, 2009.

SUPPLEMENTARY INFORMATION:

Background

The CCP Process

The National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd-668ee (Administration Act), as amended by the National Wildlife Refuge System Improvement Act of 1977, requires us to develop a CCP for each national wildlife refuge. The purpose of developing a CCP is to provide refuge managers with a 15-year plan for achieving refuge purposes and contributing toward the mission of the National Wildlife Refuge System (NWRS), consistent with sound principles of fish and wildlife management, conservation, legal mandates, and our policies. In addition to outlining broad management direction on conserving wildlife and their habitats, CCPs identify wildlife-dependent recreational opportunities available to the public, including opportunities for hunting, fishing, wildlife observation, wildlife photography, and environmental education and interpretation. We will review and update the CCP at least every 15 years in accordance with the Administration Act.

The Service will prepare a CCP/NEPA document in compliance with NEPA of 1969, as amended (42 U.S.C. 4321 *et seq.*); NEPA regulations (40 CFR parts

1500-1508); other applicable Federal laws and regulations; and our policies and procedures for compliance with those laws and regulations.

Each unit of the NWRS is established for specific purposes. These purposes guide development and prioritization of management goals and objectives within the NWRS mission and determine how the public can use each refuge. The planning process is a way for us and the public to evaluate management goals and objectives for the best possible conservation of important wildlife habitat, while providing for wildlife-dependent recreational opportunities that are compatible with the refuges' establishing purposes and the mission of the NWRS.

We will conduct a planning process that provides opportunities for the public, Federal and local government agencies, Native Hawaiian organizations, and others to participate in issue scoping and public comment. We request input for issues, concerns, ideas, and suggestions for the future management of Keālia Pond and Kakahai'a NWRs.

We will also give the public an opportunity to provide input at open houses to identify issues and concerns. All information provided voluntarily by mail, phone, or at public meetings becomes part of our official public record. We will handle requests for comments received in accordance with the Freedom of Information Act, NEPA, and Service and Departmental policies and procedures.

The Refuges

Keālia Pond and Kakahai'a NWRs are part of the Maui National Wildlife Refuge Complex. Located along the southern shore of Maui, Keālia Pond NWR was established in 1992 for the purpose of providing habitat for endangered Hawaiian waterbirds, specifically the ae'o or Hawaiian stilt, and 'alae ke'oke'o or Hawaiian coot.

Keālia Pond is one of the largest natural wetlands remaining in the Hawaiian Islands. The 691-acre Refuge is administered under a perpetual conservation easement from Alexander and Baldwin, Inc. Habitats found on the Refuge include open water, fresh to brackish water marsh, mudflat, grassland, upland shrub, and coastal beach strand.

Keālia Pond NWR contains one of the largest concentrations of wetland birds in Hawai'i and is an important breeding,

feeding, and resting area for the Hawaiian stilt and Hawaiian coot. In addition, Keālia Pond NWR provides a strategic landfall for migratory birds coming from Alaska, Siberia, and Asia, including koloa mapu or Northern pintail, koloa moha or Northern shoveler, lesser scaup, kolea or Pacific golden-plover, and 'akekeke or ruddy turnstone. A total of 110 bird species have been documented on the Refuge. The majority of the Refuge is closed to general public access; however, trails, overlooks, and educational programs provide the public with opportunities to view and appreciate some of Hawai'i's endangered and migratory wildlife.

Kakahai'a NWR is located on the southeastern coast of Moloka'i. It was established to protect and provide habitat for endangered species. Habitats found on this Refuge include open water, freshwater marsh, mudflat, grassland, and shrubland. An inland Hawaiian fishpond is also located on the Refuge. The Refuge provides important breeding, feeding, and resting areas for endangered waterbirds, a variety of migratory waterfowl, shorebirds, and other wetland birds. Some of the more common migrants are koloa mapu or Northern pintail, and kolea or Pacific golden-plover. Kakahai'a NWR is closed to the general public; however, volunteers occasionally conduct wetland education programs.

Scoping: Preliminary Issues, Concerns, and Opportunities

We have identified preliminary issues, concerns, and opportunities to be addressed in the CCP. Additional issues may be identified through public scoping.

During the CCP planning process, the Service will analyze methods for enhancing the wildlife and habitat resources, visitor services, protection of cultural and historic resources, and facilities maintenance of the Keālia Pond and Kakahai'a NWRs while providing quality opportunities for wildlife-dependent recreation.

Public Meetings

Public open house meetings will be held at the following locations to provide information on the CCP and receive public comments. Opportunities for additional public input will be announced throughout the planning process.

Date	Time	Location
Wednesday, November 4, 2009	6:30–8:30 p.m.	Mitchel Pauole Center, Conference Room, 90 Ainoa Street, Kaunakakai, Moloka'i, HI 96748.
Thursday, November 5, 2009	6:30–8:30 p.m.	Kihei Community Center, Main Hall, 303 East Lipoa Street, Kihei, Maui, HI 96753.

Public Availability of Comments

All comments—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: October 13, 2009.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLES003420.L14300000.EU0000; WIES–055403]

Notice of Realty Action: Modified Competitive Sale of Public Land in Bayfield County, WI

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: A parcel of public land totaling 92.26 acres in Bayfield County, Wisconsin, is being considered for sale under the provisions of the Federal Land Policy and Management Act of 1976 (FLPMA) at no less than the appraised fair market value. The Bureau of Land Management (BLM) proposes to sell the land using modified competitive sale procedures pursuant to 43 CFR 2711.3–2.

DATES: Interested parties may submit written comments regarding the proposed sale to the BLM at the address listed below on or before December 4, 2009. The BLM will accept sealed bids for the offered land from qualified bidders no later than 4:30 p.m. CDT on December 21, 2009.

ADDRESSES: Comments concerning the proposed sale should be addressed to Mark Storzer, Field Manager, Bureau of Land Management, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202–4617.

FOR FURTHER INFORMATION CONTACT: Carol Grundman, Realty Specialist, (414) 297–4447, or via e-mail at

carol_grundman@blm.gov. More detailed information concerning the sale including maps and the current appraisal will be available at: http://www.blm.gov/es/st/en/fo/milwaukeefo_html.html.

SUPPLEMENTARY INFORMATION: The following described public land has been examined and found suitable for sale under the provisions of Section 203 of the FLPMA (43 U.S.C. 1713) and implementing regulations at 43 CFR part 2711:

Fourth Principal Meridian

T. 45 N., R. 6 W.,

Sec. 33, lots 8 to 12, inclusive.

The area described contains 92.26 acres in Bayfield County.

The BLM Wisconsin Resource Management Plan Amendment dated 2001 identified this parcel of land as suitable for disposal. The purpose of the sale is to dispose of land which is difficult and uneconomic to manage as part of the National System of Public Lands. Because the parcel has no legal access via a public road, the sale will be offered first by modified competitive sale procedures in accordance with 43 CFR 2711.3–2 to allow adjacent landowners an equal opportunity to successfully bid on the property. Bidding under the modified competitive sale procedures is only open to adjacent landowners who must submit sealed bids to the BLM, Milwaukee Field Office (address stated above), no later than 4:30 p.m. CDT, on December 21, 2009.

If the adjacent landowners fail to exercise the preference consideration offered by the modified competitive sale, the parcel will remain available for sale on a continuing basis in accordance with competitive sale procedures found at 43 CFR 2711.3–1 without further legal notice. If the modified competitive sale held on December 21, 2009 is not successful, then bids will continue to be accepted by the BLM under competitive sale procedures. Bids submitted to the BLM under competitive sale procedures will be opened on a monthly basis on the first Friday of each month at 10 a.m. CDT, at the BLM, Milwaukee Field Office, until a successful bid is received or the offer is cancelled.

Sealed bid envelopes must be clearly marked on the front lower left-hand

corner with “SEALED BID BLM LAND SALE WI, WIES–055403”. The bid envelope must contain a signed statement showing the total amount of the bid and the name, mailing address, and phone number of the entity making the bid. Bids must be for not less than the federally appraised fair market value determination of the land. The appraised fair market value will be made available 30 days prior to the sealed bid closing date at the BLM, Milwaukee Field Office, and on the Web site (address and Web site stated above). Each sealed bid must be accompanied by a certified check, money order, bank draft, or cashier’s check made payable to the Bureau of Land Management for an amount not less than 20 percent of the total amount of the bid. Personal checks will not be accepted.

Sealed bids will be opened to determine the high bid at 10 a.m. CDT, December 21, 2009, at the BLM, Milwaukee Field Office (address stated above). The highest qualifying bid will be declared the high bid and the high bidder will receive written notice. Bidders submitting matching high bid amounts for the parcel will be provided an opportunity to submit a supplemental sealed bid. Bid deposits submitted by unsuccessful bidders will be returned by U.S. mail.

The successful bidder will be allowed 180 days from the date of sale to submit the remainder of the full bid price in the form of a certified check, money order, bank draft, or cashier’s check made payable to the Bureau of Land Management. Personal checks will not be accepted. Failure to submit the remainder of the full bid price prior to but not including the 180th day following the day of the sale, will result in the forfeiture of the bid deposit to the BLM, and the parcel will be offered to the second highest qualifying bidder at their original bid.

Federal law requires that bidders must be (1) United States citizens 18 years of age or older, (2) a corporation subject to the laws of any State or of the United States, (3) an entity including, but not limited to associations or partnerships capable of acquiring and owning real property, or interests therein, under the laws of the State of Wisconsin, or (4) a State, State instrumentality, or political subdivision authorized to hold real property.
