**ACTION:** Notice of availability: final comprehensive conservation plan and finding of no significant impact.

**SUMMARY:** We, the Fish and Wildlife Service (Service), announce the availability of our final comprehensive conservation plan (CCP) and finding of no significant impact (FONSI) for the environmental assessment for Bayou Teche National Wildlife Refuge (NWR). In the final CCP, we describe how we will manage this refuge for the next 15 years.

**ADDRESSES:** You may obtain a copy of the CCP by writing to: Mr. Paul Yakupzack, Refuge Manager, Mandalay NWR, 3599 Bayou Black Drive, Houma, LA 70360. You may also access and download the document from the Service's Web site: <http://southeast.fws.gov/planning>.

**SUPPLEMENTARY INFORMATION:****Introduction**

With this notice, we finalize the CCP process for Bayou Teche NWR. We started this process through a notice in the **Federal Register** on March 19, 2007 (72 FR 12811). For more about the process, see that notice.

Bayou Teche NWR is located near the town of Franklin in St. Mary Parish, Louisiana. The refuge contains 9,028 acres and is composed of wet bottomland hardwood forests laced with bayous and canals. The refuge was established on October 31, 2001, on lands important to the coastal subpopulation of the Louisiana black bear. The refuge consists of six separate units, ranging in size from 3,724 acres to 80 acres.

We announce our decision and the availability of the final CCP and FONSI for Bayou Teche NWR in accordance with the National Environmental Policy Act (NEPA) [40 CFR 1506.6(b)] requirements. We completed a thorough analysis of impacts on the human environment, which we included in the draft comprehensive conservation plan and environmental assessment (Draft CCP/EA). The CCP will guide us in managing and administering Bayou Teche NWR for the next 15 years.

The compatibility determinations for boating, recreational fishing, recreational hunting, wildlife observation/photography, and environmental education/interpretation are available in the CCP.
