

Confederated Tribes of the Warm Springs Reservation of Oregon enacted Tribal Resolution No. 10,997, on January 22, 2009, to accept the Tribal Use and Distribution Plan providing for the disposition of the settlement funds. Funds were appropriated on March 5, 2009.

FOR FURTHER INFORMATION CONTACT: Iris A. Drew, Bureau of Indian Affairs, Division of Tribal Government Services, 1001 Indian School Road, NW., Albuquerque, New Mexico 87104. Telephone number: (505) 563-3530.

SUPPLEMENTARY INFORMATION: On September 1, 2009, the plan for the use and distribution of the funds was submitted to Congress pursuant to the Indian Tribal Judgment Fund Act, 25 U.S.C. 1401 *et seq.* Receipt of the plan by the House of Representatives and the Senate was recorded in the Congressional Record on September 30, 2009, and September 8, 2009, respectively. The plan became effective on December 18, 2009, because a joint resolution disapproving it was not enacted. The plan reads as follows:

Plan

For the Use and Distribution of the Confederated Tribes of the Warm Springs Reservation of Oregon Judgment Funds in Docket No. 02-126L

The funds appropriated in satisfaction of the Settlement Agreement executed by the Confederated Tribes of the Warm Springs Reservation of Oregon and the United States Government in Docket No. 02-126L shall be used and distributed in accord with the terms of the Settlement Agreement. The settlement funds total Sixty-Eight Million Dollars (\$68,000,000.00). The terms of the Settlement Agreement specifying the use and distribution of the settlement funds are reflected below.

Tribal Programming

A. Thirty-two Million Dollars (\$32,000,000) of the settlement funds, as well as all income from the investment, shall be by the Tribe in its sole discretion for tribal operations and purposes (Settlement Agreement, paragraph 3.A.).

B. Twenty-nine Million Dollars (\$29,000,000) of the settlement funds, as well as all income from the investment, shall be used to fund the implementation of the Strategic Restoration Plan for the Natural Resources on the Warm Springs Reservation (Settlement Agreement, paragraph 3.B. and Exhibit B).

C. Six Million Dollars (\$6,000,000) of the settlement funds, as well as all income from the investment, shall be

used by the Tribe to pay for a baseline assessment of the current conditions of the Tribe's natural resources on its Reservation, (which shall include the forest, range, roads, watersheds, and cultural resources) and/or to reimburse the Tribe for attorneys fees and costs and expert fees and costs incurred by the Tribe (Settlement Agreement, paragraphs 3.C. and 6).

D. Seven Hundred and Fifty Thousand Dollars (\$750,000), as well as all income from the investment of such amount, shall be released to the Tribe for its sole discretion upon the Tribe's submission to the Interior Department, pursuant to 25 CFR 1000.17, 1000.20, 100.23 (2008), of a complete application that seeks self-governance over all of the forestry and natural resource management programs relating to the Tribe's On-Reservation Non-Monetary Trust Assets (Settlement Agreement, paragraph 3.D.).

E. Two Hundred and Fifty Thousand Dollars (\$250,000), as well as all income from the investment of such amount, shall be released to the Tribe for use as it decided at its sole discretion, upon the execution by the Tribe and the Interior Department of mutually acceptable annual funding agreement relating to the Self-governance responsibilities described in D. of the Settlement Agreement. If the Tribe and the Interior fail to execute a mutually acceptable annual funding agreement within twenty-four (24) months of the date of the Tribe's submission of its application, as set forth in Paragraph 3.D. of the Settlement Agreement, One Hundred and Twenty-Five Thousand Dollars (\$125,000), as well as all income from the investment of such amount, shall be released to the Tribe for use at its sole discretion (Settlement Agreement, paragraph 3.E.).

General Provisions

None of the funds distributed under this plan shall be subject to Federal or State income taxes, nor shall such funds nor their availability be considered as income or resources nor otherwise utilized as the basis for denying or reducing the financial assistance or other benefits to which such household or member would otherwise be entitled under the social Security Act, or any Federal or federally assisted programs.

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under **ADDRESSES**. Please include the **Federal Register** notice publication date, the PRT-number, and the name of the applicant in your request or submission. We will not consider requests or comments sent to an e-mail or address not listed under **ADDRESSES**. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically.

Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the basis for your

comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (*see* **DATES**) or comments delivered to an address other than those listed above (*see* **ADDRESSES**).

B. May I Review Comments Submitted by Others?

Comments, including names and street addresses of respondents, will be available for public review at the address listed under **ADDRESSES**. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, the Endangered Species Act of 1973, section 10(a)(1)(A), as amended (16 U.S.C. 1531 *et seq.*), and our regulations in the Code of Federal Regulations (CFR) at 50 CFR 17, the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), and our regulations in the Code of Federal Regulations (CFR) at 50 CFR 18 require that we invite public comment before final action on these permit applications. Under the MMPA, you may request a hearing on any MMPA application received. If you request a hearing, give specific reasons why a hearing would be appropriate. The holding of such a hearing is at the discretion of the Service Director.

III. Permit Applications

[A.] Endangered Species

Applicant: Dr. Ajit Varki, Department of Cellular and Molecular Medicine,

University of California, San Diego, CA, PRT-236267

The applicant requests a permit to acquire from Coriell Institute, Camden, NJ, in interstate commerce DNA and/or cell lines from chimpanzee, (*Pan troglodytes*), gorilla (*Gorilla*), and Bornean orangutan (*Pongo pygmaeus*) for the purpose of scientific research. This notification covers activities to be conducted by the applicant over a one-year period.

Applicant: Exotic Feline Breeding Compound, Inc., Rosamond, CA, PRT-234072

The applicant requests a permit to import one captive bred male Iranian leopard (*Panthera pardus saxicolor*) from Aalborg Zoo, Denmark, for the purpose of enhancement of the survival of the species.

The following applicants each request a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Applicant: Terrance David Braden, Williamston, MI, PRT-231677

Applicant: Alan Maiss, Reno, NV, PRT-228691

Applicant: Conroe Taxidermy, Conroe, TX, PRT-230925

On January 26, 2010, we published a **Federal Register** notice inviting the public to comment on several applications for permits to conduct certain activities with endangered species (75 FR 4103). We made an error in reporting the species of the animal in the Conroe Taxidermy application, which starts at the top of column 3 on page 4103. The animal is not a male Scimitar-horned oryx (*Oryx dammah*) as we reported in 75 FR 4103, but rather a male Bontebok (*Damaliscus pygargus pygargus*). All the other information we printed was correct. With this notice, we correct that error and reopen the comment period for PRT-230925.

[B.] [Endangered Marine Mammals and] Marine Mammals

Applicant: U.S. Fish and Wildlife Service, Jacksonville, FL, PRT-770191

The applicant requests a permit and a letter of authorization for the rescue, rehabilitation and release of unlimited number of stranded West Indian manatees (*Trichechus manatus*) in the waters of the United States, the import of rescued manatees, and import and export of biological specimens. This notification covers activities to be

conducted by the applicant over a 5-year period.

Concurrent with publishing this notice in the **Federal Register**, we are forwarding copies of the above applications to the Marine Mammal Commission and the Committee of Scientific Advisors for their review.
