

This system was originally established to collect and maintain records for the purpose of determining an individual applicant's qualification for and/or compensation to benefits under the 9/11 Heroes Stamp Act of 2001. While this fund originated through legislation, all funds have now been exhausted so the program is closed pursuant to the originating legislation. The legislation stated that all funds collected through the sale of the 9/11 Heroes Stamp be distributed.

The records in the system are considered permanent Federal Government records, as 9/11 records are permanent records. NARA will not destroy the records once the system is retired and records are transferred. In accordance with the records schedule for the 9/11 Heroes Stamp Act of 2001 File System, records are transferred to NARA one year and six months after the closure of the file. All records within this system will be archived under records schedule number N1-311-04-05.

Retiring this system of records notice will have no adverse impacts on individuals, but will promote the overall streamlining and management of DHS Privacy Act systems of records.

Dated: March 1, 2010.

Mary Ellen Callahan,
Chief Privacy Officer, Department of
Homeland Security.
