**SUPPLEMENTARY INFORMATION:**

**Background**

CBP Dec. 07-01 amended section 111.96 of title 19 of the Code of Federal Regulations (19 CFR 111.96(c)) pursuant to the amendment of section 13031 of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 (19 U.S.C. 58c) by section 892 of the American Jobs Creation Act of 2004, to establish that effective April 1, 2007, an annual user fee of \$138 is to be assessed for each customs broker permit and national permit held by an individual, partnership, association, or corporation.

U.S. Customs and Border Protection (CBP) regulations provide that this fee is payable for each calendar year in each broker district where the broker was issued a permit to do business by the due date which is published in the **Federal Register** annually. See 19 CFR 24.22(h) and (i)(9). Broker districts are defined in the General Notice entitled, "Geographical Boundaries of Customs Brokerage, Cartage and Lighthouse Districts" published in the **Federal Register** on September 27, 1995 (60 FR 49971).

Section 1893 of the Tax Reform Act of 1986 (Pub. L. 99-514) provides that notices of the date on which the payment is due for each broker permit shall be published by the Secretary of the Treasury in the **Federal Register** by no later than 60 days before such due date. Please note that section 403 of the Homeland Security Act of 2002, 6 U.S.C. 101 *et seq.*, (Pub. L. 107-296) and Treasury Department Order No. 100-16 (see Appendix to 19 CFR Part 0) delegated general authority vested in the Secretary of the Treasury over customs revenue functions (with certain specified exceptions) to the Secretary of Homeland Security.

This document notifies customs brokers that for calendar year 2013, the due date for payment of the user fee is February 15, 2013. It is anticipated that for subsequent years, the annual user fee for customs brokers will be due on the first business day following the nineteenth of January of each year.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Act (16 U.S.C. 1531 *et seq.*) prohibits activities with endangered and threatened species unless a Federal permit allows such activity. Along with our implementing regulations in the Code of Federal Regulations (CFR) at 50 CFR part 17, the Act provides for permits, and requires that we invite public comment before issuing this permit.

A permit granted by us under section 10(a)(1)(A) of the Act authorizes applicant to conduct activities with U.S. endangered or threatened species for scientific purposes, enhancement of propagation or survival, or interstate commerce (the latter only in the event that it facilitates scientific purposes or enhancement of propagation or survival). Our regulations implementing section 10(a)(1)(A) for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

**Applications Available for Review and Comment**

We invite local, State, and Federal agencies, and the public to comment on the following application. Please refer to the appropriate permit number for the application when submitting comments.

Documents and other information the applicants have submitted is available for review, subject to the requirements of the Privacy Act (5 U.S.C. 552a) and Freedom of Information Act (5 U.S.C. 552).

**Permit Application Number: TE-704930**

*Applicants:* Michael Thabault and Nicole Alt, U.S. Fish and Wildlife Service, Region 6, Ecological Services, Denver, Colorado.

The applicants request renewal of an existing permit to purposefully take (display, photograph, harass by survey, capture, electrofish, handle, weigh, measure, mark, obtain biological samples, breed in captivity, reintroduce, relocate, remove from the wild, kill, and, for plant species only, remove and reduce to possess) all threatened and endangered species listed in the States of Colorado, Kansas, Montana, Nebraska, North Dakota, South Dakota, Utah, and Wyoming for recovery or scientific purposes or for the enhancement of propagation or for enhancing the species' survival. This permit will allow Fish and Wildlife Service employees and volunteers to lawfully conduct threatened and endangered species activities, in

conjunction with recovery activities throughout the species' range, as outlined in Fish and Wildlife Service employees' and volunteers' position descriptions.

### National Environmental Policy Act (NEPA)

In compliance with NEPA (42 U.S.C. 4321 *et seq.*), we have made an initial determination that the proposed activities in this permit are categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement (516 DM 6 Appendix 1, 1.4C(1)).
