

Nomination forms may be obtained from the GSENM Headquarters Office, address listed above. Nominations packages must include a letter of nomination, a completed nomination form, letters of reference from the represented interest groups or organizations associated with the interests represented by the candidate, and any other information that speaks to the candidate's qualifications.

The five open member positions are: One member, a Livestock Grazing permittee operating within the Monument to represent livestock operators on the Monument; one member, a State representative to represent the State of Utah's interest in the Monument; one member, a Tribal representative to represent Tribal interests in the Monument; one member will be appointed as a special government employee with expertise in Paleontology; and, one member will be appointed as a special government employee with expertise in Systems Ecology.

The specific category the nominee would represent should be identified in the letter of nomination and in the nomination form. The BLM-Utah State Director and Monument Manager will review the nomination forms and letters of reference. The State Director shall confer with the Governor of the State of Utah on potential nominations, then she will forward recommended nominations to the Secretary of the Interior who has responsibility for making the appointments.

Members will serve without monetary compensation, but will be reimbursed for travel and per diem expenses at current U.S. General Services Administration rates. The Committee will meet at least twice a year. Additional meetings may be called by the Designated Federal Officer.

Authority: 43 CFR 1784.4-1.

Jenna Whitlock,

Acting State Director.

Notice of Extension of Public Comment Period for Proposed Idaho Statewide Supplementary Rules

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of extension.

SUMMARY: The Bureau of Land Management (BLM) published a Notice of Proposed Supplementary Rules in the **Federal Register** on February 3, 2015 [80 FR 5781] and announced the beginning of a 60-day public comment period. In response to technical difficulties with one of the methods for taking comments, the BLM is extending the public comment period for the Proposed Supplementary Rules until May 5, 2015.

DATES: The comment period is extended to May 5, 2015.

ADDRESSES: Please mail or hand-deliver comments to Keith McGrath, State Chief Law Enforcement Ranger, Bureau of Land Management, Idaho State Office, 1387 S. Vinnell Way, Boise, Idaho 83709; or email comments to *BLM_ID_LE_SUPPRULES@blm.gov*.

FOR FURTHER INFORMATION CONTACT: Keith McGrath, Bureau of Land Management, (208) 373-4046, *KMcGrath@blm.gov*. Persons who use a telecommunications device for the deaf (TDD) may contact Mr. McGrath by calling the Federal Information Relay Service (FIRS) at (800) 877-8339, 24 hours a day, 7 days a week. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The supplementary rules are proposed to promote consistency between State and Federal regulations with respect to certain uses of Federal lands under BLM jurisdiction in Idaho. The supplementary rules would allow BLM law enforcement personnel and partner agencies to address gaps in current regulations, to continue enforcing existing public land regulations in a manner consistent with current State of Idaho statutes, and would provide more clarity for public land users, especially visitors to BLM recreation areas.

The original notice containing the proposed supplementary rules included the email address *BLM_ID_LE_SUPPRULES@blm.gov* as one of three ways to submit written comments on the Proposed Supplementary Rules. A 60-day comment period began on February 3, 2015, the day the notice was published in the **Federal Register**. The notice advised that the BLM would accept written comments by any of the three methods listed until April 6, 2015. A name, phone number and additional email address were also provided as a point of contact for further information. On March 12, 2015, the BLM became aware that the email account for submitting comments was not activated and therefore could not be used to submit comments. The email address was activated the same day, leaving 26

days in the original comment period. As a result, the BLM is extending the comment period until May 5, 2015, to ensure adequate time for those who wish to submit comments to do so. Any of the three methods listed in the **ADDRESSES** section of this notice may be used to submit comments until that date. The BLM is not obligated to consider comments postmarked or received in person or by electronic mail after May 5, 2015.

Before including your address, phone number, email address, or other personal identifying information, be aware that your comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee we will be able to do so.

Authority: 43 CFR 8365.1-6

SUPPLEMENTARY INFORMATION:

Background

The Act (16 U.S.C. 1531 *et seq.*) prohibits certain activities with endangered and threatened species unless authorized by a Federal permit. Along with our implementing regulations at 50 CFR 17, the Act provides for permits and requires that we invite public comment before issuing these permits.

A permit granted by us under section 10(a)(1)(A) of the Act authorizes the permittees to conduct activities with U.S. endangered or threatened species for scientific purposes, enhancement of propagation or survival, or interstate commerce (the latter only in the event that it facilitates scientific purposes or enhancement of propagation or survival). Our regulations implementing section 10(a)(1)(A) for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

Bureau of Ocean Energy Management

Alaska, Outer Continental Shelf, Chukchi Sea Planning Area, Oil and Gas Lease Sale 193; MMAA 104000

AGENCY: Bureau of Ocean Energy Management (BOEM), Interior.

ACTION: Notice of Availability of the Record of Decision for Chukchi Sea Outer Continental Shelf Oil and Gas Lease Sale 193.

SUMMARY: BOEM announces the availability of the Record of Decision (ROD) for remanded Chukchi Sea Outer Continental Shelf (OCS) Oil and Gas Lease Sale 193 (Lease Sale 193), originally held on February 6, 2008. BOEM prepared the Chukchi Sea Oil and Gas Lease Sale 193 Final Second Supplemental Environmental Impact Statement (SEIS) to address a deficiency identified by the U.S. Court of Appeals for the Ninth Circuit (Court of Appeals) in its opinion of January 22, 2014. The Final Second SEIS considers the potential impacts of oil and gas activities that could result from leases issued in Lease Sale 193, including the full range of likely production if oil production were to occur (80 FR 9266, Feb. 20, 2015).

In making her decision, the Assistant Secretary for Land and Minerals Management (ASLM) considered four alternatives for Lease Sale 193, the
