Introduction

On October 21, 2016, we published a **Federal Register** notice (81 FR 72817) announcing the availability of the draft environmental impact statement (EIS) for the proposed Otay River Estuary Restoration Project for public review and comment in accordance with National Environmental Policy Act (40 CFR 1506.6(b)) requirements. We originally opened the comment period from October 21, 2016, through December 5, 2016. We now are reopening the public comment period until December 30, 2016. For more information on the draft EIS and a description of the project, please see the October 2016 notice.

EPA’s Role in the EIS Process

The EPA is charged under section 309 of the CAA (42 U.S.C. 7401 *et seq.*) to review all Federal agencies’ environmental impact statements (EISs)

and to comment on the adequacy and the acceptability of the environmental impacts of proposed actions in the EISs.

EPA also serves as the repository (EIS database) for EISs prepared by Federal agencies and provides notice of their availability in the **Federal Register**. The Environmental Impact Statement (EIS) Database provides information about EISs prepared by Federal agencies, as well as EPA's comments concerning the EISs. All EISs are filed with EPA, which publishes a notice of availability on Fridays in the **Federal Register**. You may search for EPA comments on the EIS, along with the EIS itself, at <https://cdxnodengn.epa.gov/cdx-enepa-public/action/eis/search>. The DEIS is also available at the locations under **ADDRESSES**.

NEPA Compliance

We are conducting environmental review in accordance with the requirements of NEPA, as amended (42 U.S.C. 4321 *et seq.*), its implementing regulations (40 CFR parts 1500–1508), other applicable regulations, and our procedures for compliance with those regulations. The DEIS discusses the direct, indirect, and cumulative impacts of the alternatives on biological resources, cultural resources, water quality, and other environmental resources. Measures to minimize adverse environmental effects are identified and discussed in the DEIS.

Public Involvement

You may submit written comments anytime during the comment period (see **ADDRESSES**).

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
