BILLING CODE 9111-97-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6135-N-01]

Rental Assistance Demonstration: Amendment to Final Notice

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commissioner and Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: This notice announces a change to the Rental Assistance Demonstration (RAD) regarding conversions to project-based rental assistance under RAD's Second Component.

DATES: The RAD Supplemental Notice, PIH 2018-22/H 2018-11, is operative December 11, 2018.

ADDRESSES: Interested persons are invited to submit questions or comments electronically to *rad@hud.gov*.

FOR FURTHER INFORMATION CONTACT: To assure a timely response, please direct requests for further information electronically to the email address *rad@hud.gov*. Written requests may also be directed to the following address: Office of Housing—Office of Recapitalization; Department of Housing and Urban Development; 451 7th Street SW, Room 6230; Washington, DC 20410.

SUPPLEMENTARY INFORMATION:

I. Background

RAD, initially authorized by the Consolidated and Further Continuing Appropriations Act, 2012 (Pub. L. 122-55, signed November 18, 2011) (2012 Appropriations Act), allows for the conversion of assistance under the public housing, Rent Supplement (Rent

Supp), Rental Assistance (RAP), Moderate Rehabilitation (Mod Rehab), and Mod Rehab Single Room Occupancy (SRO) programs (collectively, "covered programs") to long-term, renewable assistance under the Section 8 project based voucher (PBV) or project based rental assistance (PBRA) programs. The most recent version of the RAD program notice is PIH 2012-32/Housing 2017-03, REV-3, which has been amended by supplemental guidance published July 2, 2018, is located at https://www.hud.gov/sites/dfiles/Housing/documents/RAD_Notice_Rev3_Amended_by_RSN_7-2018.pdf.

This notice announces the posting of a second supplement to the most current notice PIH 2012-32/Housing 2017-03 REV-3 (RAD Supplemental Notice 3.B, PIH 2018-22/H 2018-11). As provided by the RAD Statute (Section 237 of Title II, Division L, Transportation, Housing and Urban Development, and Related Agencies, of the Consolidated Appropriations Act, 2018, Pub. L. 115-141), this notice addresses the requirement that the demonstration may proceed after HUD publishes the terms of the notice in the **Federal Register**. This notice summarizes the key changes made to the PIH 2012-32/Housing 2017-03 REV-3 through the RAD Supplemental Notice, PIH 2018-22/H 2018-11.

II. Key Changes

In order to maximize the resources available to make property improvements for low-income households living in properties converting under the Second Component of RAD and to align RAD requirements more closely with the underlying PBRA statutory and regulatory requirements related to the Davis-Bacon Act of 1931, the Supplemental Program Notice clarifies that execution of a PBRA contract as a result of the conversion of Rent Supp, RAP, Mod Rehab, or Mod Rehab SRO contracts through RAD after the publication of this notice does not trigger Davis-Bacon prevailing wage requirements.

III. Revised Program Notice Availability

The RAD Supplemental Notice (PIH 2018-22/H 2018-11) can be found on RAD's website, www.hud.gov/RAD.

IV. Finding of No Significant Impact

A Finding of No Significant Impact (FONSI) with respect to the environment has been made in accordance with HUD regulations in 24 CFR part 50, which implemented

section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)). The FONSI is available for public inspection during regular business hours in the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Due to security measures at the HUD Headquarters building, please schedule an appointment to review the FONSI by calling the Regulations Division at (202) 708-3055 (this is not a toll-free number). Individuals with speech or hearing impairments may access this number via TTY by calling the Federal Relay Service at (800) 877-8339.

Dated: November 28, 2018.

Dominique Blom,

General Deputy Assistant Secretary for Public and Indian Housing.

Brian D. Montgomery,

Assistant Secretary for Housing—Federal Housing Commissioner.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

[Docket No. FWS-HQ-IA-2018-0083; FXIA1671090000-178-FF09A30000]

Foreign Endangered Species; Marine Mammals; Receipt of Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), invite the public to comment on applications to conduct certain activities with foreign species that are listed as endangered under the Endangered Species Act (ESA) and foreign or native species for which the Service has jurisdiction under the Marine Mammal Protection Act (MMPA). With some exceptions, the ESA and the MMPA prohibit activities with listed species unless Federal authorization is acquired that allows such activities. The ESA and MMPA also require that we invite public comment before issuing permits for activities involving endangered species or marine mammals.

DATES: We must receive comments by January 10, 2019.

ADDRESSES:

Obtaining Documents: The applications, application supporting

materials, and any comments and other materials that we receive will be available for public inspection at <http://www.regulations.gov> in Docket No. FWS-HQ-IA-2018-0083.

Submitting Comments: When submitting comments, please specify the name of the applicant and the permit number at the beginning of your comment. You may submit comments by one of the following methods:

- **Internet:** <http://www.regulations.gov>. Search for and submit comments on Docket No. FWS-HQ-IA-2018-0083.

- **U.S. mail or hand-delivery:** Public Comments Processing, Attn: Docket No. FWS-HQ-IA-2018-0083; U.S. Fish and Wildlife Service Headquarters, MS: BPHC; 5275 Leesburg Pike; Falls Church, VA 22041-3803.

For more information, see Public Comment Procedures under **SUPPLEMENTARY INFORMATION**.

FOR FURTHER INFORMATION CONTACT: Brenda Tapia, by phone at 703-358-2104, via email at DMAFR@fws.gov, or via the Federal Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How do I comment on submitted applications?

You may submit your comments and materials by one of the methods in **ADDRESSES**. We will not consider comments sent by email or fax, or to an address not in **ADDRESSES**. We will not consider or include in our administrative record comments we receive after the close of the comment period (see **DATES**).

When submitting comments, please specify the name of the applicant and the permit number at the beginning of your comment. Please make your requests or comments as specific as possible, confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Provide sufficient information to allow us to authenticate any scientific or commercial data you include. The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) those that include citations to, and analyses of, the applicable laws and regulations.

B. May I review comments submitted by others?

You may view and comment on others' public comments on <http://www.regulations.gov>, unless our

allowing so would violate the Privacy Act (5 U.S.C. 552a) or Freedom of Information Act (5 U.S.C. 552).

C. Who will see my comments?

If you submit a comment at <http://www.regulations.gov>, your entire comment, including any personal identifying information, will be posted on the website. If you submit a hardcopy comment that includes personal identifying information, such as your address, phone number, or email address, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. Moreover, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), and section 104(c) of the Marine Mammal Protection Act of 1972, as amended (MMPA; 16 U.S.C. 1361 *et seq.*), we invite public comments on permit applications before final action is taken. With some exceptions, the ESA and MMPA prohibit activities with listed species unless Federal authorization is acquired that allows such activities. Permits issued under section 10 of the ESA allow activities for scientific purposes or to enhance the propagation or survival of the affected species. Regulations regarding permit issuance under the ESA are in title 50 of the Code of Federal Regulations in part 17. ESA permits cover a wide range of activities pertaining to foreign listed species, including activities related to the captive-breeding of such species here in the United States. Concurrent with publishing this notice in the **Federal Register**, we are forwarding copies of the marine mammal applications to the Marine Mammal Commission and the Committee of Scientific Advisors for their review.
