SUPPLEMENTARY INFORMATION: CBP invites the general public and other Federal agencies to comment on the proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*). This proposed information collection was previously published in

the **Federal Register** (Volume 87 FR 14902) on March 16, 2022, allowing for a 60-day comment period. This notice allows for an additional 30 days for public comments. This process is conducted in accordance with 5 CFR 1320.8. Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: CBP Hiring Center Medical Records Privacy Act Release Form.

OMB Number: 1651–0NEW.

Form Number: Form 3400.

Current Actions: This is a new information collection.

Type of Review: New.

Affected Public: Individuals.

Abstract: In accordance with 5 CFR 339.301, Customs and Border Protection (CBP) performs pre-employment medical evaluations on all candidates tentatively selected to fill positions that include a medical requirement, such as the CBP Officer and Border Patrol Agent positions. During that evaluation process, CBP collects medically relevant information about the candidate from: the candidate, CBP's contracted medical providers, and/or the candidate's personal medical and mental health providers.

In accordance with 5 CFR 339.305, CBP makes all medical documentation and records of examination available to the candidates. Candidates can request copies of their pre-employment medical examination results and supporting documentation/records by email or letter. Due to the sensitive nature of the information being released, CBP requires that candidates complete and

sign a privacy release authorization form in order to receive a copy of their medical documents. CBP will only share medical information directly with the candidate, or with a third party when authorized to do so in writing by the candidate.

No specific information is needed to request copies of candidates' medical documents in writing. When completing the release form, candidates must provide the following information: Full name, partial Social Security Number (SSN#), Date of Birth, Current Address, Email Address, Phone Number; as well as specifying the type of medical records to be released (hearing test results, vision test results, etc.).

This information is used by CBP as confirmation that the agency has the candidate's signed authorization to provide medically related records about the candidate. A copy of that signed authorization and the records released are retained within the candidate's pre-employment file.

Endangered Species; Marine Mammals; Issuance of Permits

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of issuance of permits.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), have issued the following permits to conduct certain activities with endangered species and marine mammals. We issue these permits under the Endangered Species Act (ESA) and Marine Mammal Protection Act (MMPA).

ADDRESSES: Information about the applications for the permits listed in this notice is available online at <https://www.regulations.gov>. See **SUPPLEMENTARY INFORMATION** for details.

FOR FURTHER INFORMATION CONTACT: Brenda Tapia, by phone at 703-358-2185 or via email at DMAFR@fws.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: We, the U.S. Fish and Wildlife Service (Service), have issued permits to conduct certain activities with endangered and threatened species in response to permit applications that we received under the authority of section 10(a)(1)(A) of the Endangered Species Act of 1973 (16 U.S.C. 1531 *et seq.*) and the Marine Mammal Protection Act, as amended (16 U.S.C. 1361 *et seq.*).

After considering the information submitted with each permit application and the public comments received, we issued the requested permits subject to certain conditions set forth in each permit. For each application for an endangered species, we found that (1) the application was filed in good faith,

(2) the granted permit would not operate to the disadvantage of the endangered species, and (3) the granted permit would be consistent with the purposes and policy set forth in section 2 of the ESA.

Availability of Documents

The permittees' original permit application materials, along with public comments we received during public comment periods for the applications, are available for review. To locate the application materials and received comments, go to <https://www.regulations.gov> and search for the appropriate permit number (e.g., 12345C) provided in the following table:
