BILLING CODE 4333-15-P

**DEPARTMENT OF THE INTERIOR**

**Fish and Wildlife Service**

[FWS-R4-ES-2024-N002;  
FXES1114040000-245-FF04E00000]

**Endangered Species; Recovery Permit  
Applications**

**AGENCY:** Fish and Wildlife Service,  
Interior.

**ACTION:** Notice of receipt of permit  
applications; request for comments.

**SUMMARY:** We, the U.S. Fish and  
Wildlife Service, have received  
applications for permits to conduct  
activities intended to enhance the  
propagation or survival of endangered  
species under the Endangered Species  
Act. We invite the public and local,  
State, Tribal, and Federal agencies to  
comment on these applications. Before  
issuing any of the requested permits, we  
will take into consideration any  
information that we receive during the  
public comment period.

**DATES:** We must receive written data or  
comments on the applications by April  
17, 2024.

**ADDRESSES:**

*Reviewing Documents:* Submit  
requests for copies of applications and  
other information submitted with the  
applications to Karen Marlowe (see **FOR  
FURTHER INFORMATION CONTACT**). All  
requests and comments should specify  
the applicant name and application  
number (e.g., Mary Smith,  
ESPER0001234).

*Submitting Comments:* If you wish to  
comment, you may submit comments by  
one of the following methods:

- *Email (preferred method):*

*permitsR4ES@fws.gov.* Please include  
your name and return address in your  
email message. If you do not receive a  
confirmation from the U.S. Fish and  
Wildlife Service that we have received  
your email message, contact us directly  
at the telephone number listed in **FOR  
FURTHER INFORMATION CONTACT**.

- *U.S. Mail:* U.S. Fish and Wildlife  
Service Regional Office, Ecological  
Services, 1875 Century Boulevard,  
Atlanta, GA 30345 (Attn: Karen  
Marlowe, Permit Coordinator).

**FOR FURTHER INFORMATION CONTACT:**

Karen Marlowe, Permit Coordinator, via  
telephone at 404-679-7097 or via email  
at *karen\_marlowe@fws.gov*. Individuals  
in the United States who are deaf,  
deafblind, hard of hearing, or have a  
speech disability may dial 711 (TTY,  
TDD, or TeleBraille) to access  
telecommunications relay services.  
Individuals outside the United States  
should use the relay services offered  
within their country to make  
international calls to the point-of-  
contact in the United States.

**SUPPLEMENTARY INFORMATION:** We, the  
U.S. Fish and Wildlife Service, invite  
review and comment from the public  
and local, State, Tribal, and Federal  
agencies on applications we have  
received for permits to conduct certain  
activities with endangered and  
threatened species under section  
10(a)(1)(A) of the Endangered Species  
Act of 1973, as amended (ESA; 16  
U.S.C. 1531 *et seq.*), and our regulations  
in the Code of Federal Regulations  
(CFR) at 50 CFR part 17. Documents and  
other information submitted with the  
applications are available for review,  
subject to the requirements of the  
Privacy Act of 1974, as amended (5

U.S.C. 552a), and the Freedom of  
Information Act (5 U.S.C. 552).

**Background**

With some exceptions, the ESA  
prohibits take of listed species unless a  
Federal permit is issued that authorizes  
such take. The definition of “take” in  
the ESA includes hunting, shooting,  
harming, wounding, or killing, and also  
such activities as pursuing, harassing,  
trapping, capturing, or collecting.

A recovery permit issued by us under  
section 10(a)(1)(A) of the ESA  
authorizes the permittee to take  
endangered or threatened species while  
engaging in activities that are conducted  
for scientific purposes that promote  
recovery of species or for enhancement  
of propagation or survival of species.  
These activities often include the  
capture and collection of species, which  
would result in prohibited take if a  
permit were not issued. Our regulations  
implementing section 10(a)(1)(A) of the  
ESA for these permits are found at 50  
CFR 17.22 for endangered wildlife  
species, 50 CFR 17.32 for threatened  
wildlife species, 50 CFR 17.62 for  
endangered plant species, and 50 CFR  
17.72 for threatened plant species.

**Permit Applications Available for  
Review and Comment**

The ESA requires that we invite  
public comment before issuing these  
permits. Accordingly, we invite local,  
State, Tribal, and Federal agencies, and  
the public to submit written data, views,  
or arguments with respect to these  
applications. The comments and  
recommendations that will be most  
useful and likely to influence agency  
decisions are those supported by  
quantitative information or studies.  
Proposed activities in the following  
permit requests are for the recovery and  
enhancement of propagation or survival  
of the species in the wild.

Permit application No.	Applicant	Species	Location	Activity	Type of take	Permit action
ES065972-4 ....	U.S. Forest Service; Russellville, AR.	Tricolored bat ( <i>Perimyotis subflavus</i> ) .....	Ozark-St. Francis National Forests, Arkansas.	Presence/probable absence surveys.	Enter hibernacula and maternity roost caves; capture, handle, identify, band, radio-tag, and release.	Amendment.
PER5292605-0	Amanda Miller; Winchester, TN.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), and tricolored bat ( <i>Perimyotis subflavus</i> ).	Alabama and Tennessee.	Presence/probable absence surveys.	Capture, handle, identify, band, radio-tag, and release.	New.
PER5294766-0	Braci Gatlin; Moundville, AL.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), and tricolored bat ( <i>Perimyotis subflavus</i> ).	Alabama, Georgia, Mississippi, and Tennessee.	Presence/probable absence surveys.	Capture, handle, identify, band, radio-tag, and release.	New.

Permit application No.	Applicant	Species	Location	Activity	Type of take	Permit action
ES62026D-3 ...	Catherine Haase, Austin Peay State University; Clarksville, TN.	Tricolored bat ( <i>Perimyotis subflavus</i> ) .....	Kentucky and Tennessee.	Assess bat community structure and habitat use.	Capture, handle, identify, band, radio-tag, and release.	Amendment.
ES02332D-4 ...	Michelle Gilley; Mars Hill, NC.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), tricolored bat ( <i>Perimyotis subflavus</i> ), Virginia big-eared bat ( <i>Corynorhinus (=Plecotus) townsendii virginianus</i> ), and Carolina northern flying squirrel ( <i>Glaucomys sabrinus coloratus</i> ).	Bats: Alabama, Arkansas, Connecticut, Delaware, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Vermont, Virginia, West Virginia, Wisconsin, and Wyoming; Carolina northern flying squirrel: North Carolina, Tennessee, and Virginia.	Bats: Presence/probable absence surveys, studies to document habitat use, and population monitoring; Carolina northern flying squirrel: Presence/probable absence surveys and studies of home ranges, foraging behaviors, and roost tree preferences.	Bats: Capture, handle, identify, band, radio-tag, and release; Carolina northern flying squirrel: Capture, handle, identify, radio-tag, and release.	Renewal and amendment.
PER5521520-0	Sara Jeanine McLaughlin-Johnson; Kingsport, TN.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), and tricolored bat ( <i>Perimyotis subflavus</i> ).	Alabama, Georgia, Kentucky, Mississippi, North Carolina, Tennessee, and Virginia.	Presence/probable absence surveys.	Enter hibernacula and maternity roost caves, capture, handle, identify, band, radio tag, and release.	New.
PER0037840-1	Cara Rogers; Ypsilanti, MI.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), and tricolored bat ( <i>Perimyotis subflavus</i> ).	Alabama, Arkansas, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Vermont, Virginia, Wisconsin, West Virginia, and Wyoming.	Presence/probable absence surveys.	Capture with mist nets, handle, identify, band, radio-tag, and release.	Amendment.
ES77472C-1 ...	Streamtechs, LLC; Athens, GA.	Amber darter ( <i>Percina antesella</i> ), blue shiner ( <i>Cyprinella caerulea</i> ), Cherokee darter ( <i>Etheostoma scotti</i> ), Conasauga logperch ( <i>Percina jenkinsi</i> ), Etowah darter ( <i>Etheostoma etowahae</i> ), and goldline darter ( <i>Percina aurolineata</i> ).	Georgia .....	Presence/probable absence surveys.	Capture, identify, and release.	Renewal.

Permit application No.	Applicant	Species	Location	Activity	Type of take	Permit action
PER5971699-0	Theresa Wetzel; Lexington, KY.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), Ozark big-eared bat ( <i>Corynorhinus (=Plecotus townsendii ingens)</i> ), tricolored bat ( <i>Perimyotis subflavus</i> ), and Virginia big-eared bat ( <i>Corynorhinus (=Plecotus townsendii virginianus)</i> ).	Alabama, Arkansas, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Vermont, Virginia, Wisconsin, West Virginia, and Wyoming.	Presence/probable absence surveys.	Enter hibernacula and maternity roost caves; capture, handle, identify, band, radio-tag, collect tissue samples, and release.	New.
ES97308A-2 ...	John Harris; Scott, AR.	Arkansas fatmucket ( <i>Lampsilis powellii</i> ), Curtis pearlymussel ( <i>Epioblasma florentina curtisii</i> ), fanshell ( <i>Cyprogenia stegaria</i> ), fat pocketbook ( <i>Potamilus capax</i> ), Higgins eye ( <i>Lampsilis higginsii</i> ), Louisiana pearlshell ( <i>Margaritifera hembeli</i> ), Louisiana pigtoe ( <i>Pleurobema riddellii</i> ), Neosho mucket ( <i>Lampsilis rafinesqueana</i> ), Ouachita fanshell ( <i>Cyprogenia sp. cf aberti</i> ), Ouachita rock pocketbook ( <i>Arcidens wheeleri</i> ), pink mucket ( <i>Lampsilis abrupta</i> ), rabbitsfoot ( <i>Quadrula cylindrica cylindrica</i> ), ring pink ( <i>Obovaria retusa</i> ), rough pigtoe ( <i>Pleurobema plenum</i> ), salamander mussel ( <i>Simpsonaias ambigua</i> ), scaleshell ( <i>Leptodea leptodon</i> ), sheepnose ( <i>Plethobasus cyphus</i> ), snuffbox ( <i>Epioblasma triquetra</i> ), speckled pocketbook ( <i>Lampsilis streckeri</i> ), spectaclecase ( <i>Cumberlandia monodonta</i> ), western fanshell ( <i>Cyprogenia aberti</i> ), and winged mapleleaf ( <i>Quadrula fragosa</i> ).	Alabama, Arkansas, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Nebraska, New York, Ohio, Oklahoma, Pennsylvania, South Dakota, Tennessee, Texas, Virginia, West Virginia, Wisconsin.	Presence/probable absence surveys, population estimate surveys, and DNA sampling.	Capture, collect tissue swabs, release, and salvage relic shells.	Renewal and amendment.
ES81202C-1 ...	Michael Maltba; Whitesburg, KY.	Gray bat ( <i>Myotis grisescens</i> ), Indiana bat ( <i>Myotis sodalis</i> ), northern long-eared bat ( <i>Myotis septentrionalis</i> ), and tricolored bat ( <i>Perimyotis subflavus</i> ).	Alabama, Arkansas, Connecticut, Delaware, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Vermont, Virginia, West Virginia, Wisconsin, and Wyoming.	Enter hibernacula and maternity roost caves, capture, handle, band, radio tag, collect hair samples, wing punch, and light tag.	Presence/probable absence surveys and studies to document habitat use.	Renewal and amendment.

**Public Availability of Comments**

Written comments we receive become part of the administrative record

associated with this action. Before including your address, phone number, email address, or other personal

identifying information in your comment, you should be aware that your entire comment—including your

personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

### Next Steps

After the comment period closes, we will make decisions regarding permit issuance. If we issue permits to any of the applicants listed above in this notice, we will publish a subsequent notice in the **Federal Register**. You may locate the notice announcing the permit issuance by searching <https://www.regulations.gov> for the application number listed above in this document. Type in your search exactly as the application number appears above, with spaces and hyphens as necessary. For example, to find information about the potential issuance of Permit No. PER 1234567-0, you would go to <https://www.regulations.gov> and put “PER 1234567-0” in the Search field.

### Authority

We publish this notice under section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

### Lawrence Williams,

*Acting Deputy Assistant Regional Director, Ecological Services, Southeast Region.*

## DEPARTMENT OF THE INTERIOR

### Bureau of Land Management

[BLML\_NV\_FRN\_MO4500177289]

### Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Spring Valley Mine Project, Pershing County, Nevada

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of intent.

**SUMMARY:** In compliance with the National Environmental Policy Act of 1969, as amended (NEPA), and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) Humboldt River Field Office in Winnemucca, Nevada, intends to prepare an Environmental Impact Statement (EIS)

to consider the effects of Solidus LLC's (Solidus) Spring Valley Mine Project (Project) in Pershing County, Nevada. By this notice, the BLM is announcing the beginning of the scoping process to solicit public comments and identify issues.

**DATES:** This notice initiates the public scoping process for the EIS. The BLM requests that the public submit comments concerning the scope of the analysis, potential alternatives, and identification of relevant information and studies no later than 30 days after the date of publication in the **Federal Register**. To afford the BLM the opportunity to consider comments in the Draft EIS, please ensure your comments are received prior to the close of the 30-day scoping period or 15 days after the last public meeting, whichever is later. Two in-person public scoping meetings will be held during the public scoping period, the dates of which are to be determined.

**ADDRESSES:** You may submit comments related to the Spring Valley Mine Project by any of the following methods:

- *Website:* <https://eplanning.blm.gov/eplanning-ui/project/2030469/510>.
- *Email:* [blm\\_nv\\_wdo\\_spring\\_valley\\_gold\\_mine@blm.gov](mailto:blm_nv_wdo_spring_valley_gold_mine@blm.gov).
- *Mail:* BLM Humboldt River Field Office, Attn: Spring Valley Mine Project, 5100 East Winnemucca Blvd., Winnemucca, Nevada 89445.

Documents pertinent to this proposal may be examined online at <https://eplanning.blm.gov/eplanning-ui/home> and at the Humboldt River Field Office.

### FOR FURTHER INFORMATION CONTACT:

Robert Sevon, Project Manager, address: 5100 East Winnemucca Blvd., Winnemucca, Nevada 89445; email: [blm\\_nv\\_wdo\\_spring\\_valley\\_gold\\_mine@blm.gov](mailto:blm_nv_wdo_spring_valley_gold_mine@blm.gov). Contact Mr. Sevon to have your name added to our mailing list.

Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting Mr. Robert Sevon, Project Manager. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** Based on the submitted proposed plan of operations (Plan), Solidus is proposing to construct, operate, close, and reclaim a new surface mine within Buena Vista Valley along the eastern part of the Humboldt Range, approximately 20 miles northeast of Lovelock, Nevada, and 70 miles southwest of Winnemucca, Nevada.

The proposed Spring Valley Mine Plan boundary would encompass 14,623 acres. The total disturbance associated with the proposed action, including exploration and the new mine operation, would be 6,232 acres, with 4,123 acres on land administered by the BLM and 2,109 acres on private land. The proposed surface mining activities for the Spring Valley Mine would include:

- One open pit and associated haul roads;
- Three waste rock facilities;
- A heap leach facility including a lined pad, process solution ponds, and carbon processing and refining facilities;
- Ancillary facilities including pit dewatering facilities with a rapid infiltration basin system; crushing circuit and an ore stockpile; secondary roads; stormwater controls and diversions; a mine fleet shop; explosives storage; truck shop and refueling area; mine offices and parking areas; laydown yards and storage areas; an aggregate plant; power distribution; a used-materials pad; freshwater distribution; potable water, fire water, and sewage systems; communications facilities; fuel storage and distribution facilities; monitoring wells; water pipelines; wildlife and range fencing; growth media stockpiles; and livestock water developments.
- Exploration activities of up to 50 acres would occur anywhere within the proposed Plan boundary.

Two plans of development (PODs) have been submitted by NV Energy and the Pershing County Road Department (Pershing County) to support the Plan. The Pershing County POD proposes to modify the existing Spring Valley Road with removal of a portion of the road, realignment around the proposed mining operation, and improvement of portions of the existing road. The NV Energy POD proposes to realign portions of two 345 kilovolt (kV) transmission lines and to construct a new 120-kV transmission line. Combined, these two PODs would disturb an additional 164 acres, with 102 acres on land administered by the BLM and 62 acres on private land.

As proposed, the Project would employ a contractor workforce of approximately 130 employees during the initial two-year construction period and approximately 250 full-time employees for the operations period. The Project would operate 24 hours per day, 365 days per year. The total life of the Project would be 29 years, including 2 years of construction, 11 years of mining, 3 additional years of ore processing, and 13 years of reclamation and closure activities. Reclamation of
